

A wide-angle photograph of a desert landscape. The foreground is dominated by a vast expanse of cracked, dry earth, with deep, irregular fissures running across the surface. In the middle ground, a single, small, dark tree stands isolated on the horizon. To the right, a large, dry, bushy shrub is visible. The sky is a deep blue, filled with wispy, white clouds. The overall scene conveys a sense of extreme aridity and drought.

Jude 12

- These are hidden reefs at your love feasts, as they feast with you without fear, shepherds feeding themselves; **waterless clouds**, swept along by winds; fruitless trees in late autumn, twice dead, uprooted;

Jude

- ³ Dear friends, although I was very eager to write to you about the salvation we share, I felt compelled to write and urge you to contend for the faith that was once for all entrusted to God's holy people. ⁴ For certain individuals whose condemnation was written about long ago have secretly slipped in among you. They are ungodly people, who pervert the grace of our God into a license for immorality and deny Jesus Christ our only Sovereign and Lord.

2 Peter 2

- But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction.
